

## Spring 2 Prep: Activity lotto

This half term we are focussing on friendship and social skills in PSED and circle time. The children will be thinking about the importance of turn taking, sharing and considering the needs of others.

To support this, we'd like you to play 'Activity lotto' at home with friends and family. Please mark off the activities you try. Can you get a line or even a full house?

We'd like your child to tell us about their experiences. They could take photographs of the activities, write about their favourite, score each activity, keep a diary, design a poster, write/draw instructions ....

Please send your prep and completed lotto grid into school on 3<sup>rd</sup> April to be shared in class. Mr Stedman will be selecting his favourite and inviting these children for afternoon tea in his office!

Have fun.

The Early Years Team.

This activity lotto belongs to .....

Bake a cake

Play a game

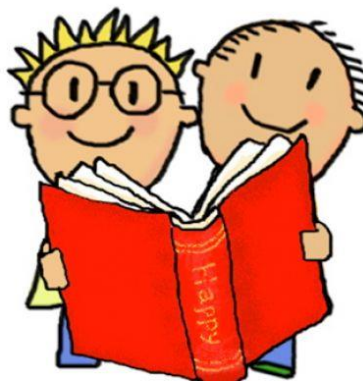

Visit the park

Make a model

Share a story

Paint a picture

Go somewhere new!

Plant some seeds

Anything else...
