

Nursery Newsletter

The topic will continue with All about me, the children will be creating themselves using paper plates and various media and materials. Through this activity, the children will develop their confidence in language use.

Learning Intentions linked to class topic.

- Take part in activity
- Name some features
- Explore colour, texture and shape.
- Introduce new vocabulary

In the nursery room they have a colour, number and shape for the month. Could you create a collage with your child and bring it into class so we can talk about their creations and display their work in class.

For this month it will be:
Number 1, Colour Red and Shape Circle.

As the weather will start to get cooler shortly, can you send your child into school with their coat, as we play outside daily.

Homework will be going home this week; we send it out monthly. Reading books will go home fortnightly.

School Information

Our newsletters can be found on the Mayfield website under Little Sunbeams, we also have our own Facebook page which we use to remind you of unique events, inset days, and dates for diary.
