

Nursery Newsletter

There will be no Topic this month, the children will be learning through sensory play and completing activities with their keyperson. We will continue to explore natural objects and group these into big, small.

The colour, number, and shape of the month will be.

Number 6 Colour Yellow, Shape Triangle.

I look forward to seeing the work your children create. We do chat about their lovely creations at carpet time, this helps to promote speech and language.

Thank you for your donations of fruit, and voluntary contribution towards the cost of snacks. Without your support we could not offer this provision.

Don't forget you can always volunteer to stay and play when you have the time, children gain so much from the experience.

Dates for Diary
