

## Pre-School Newsletter

We will not be following a topic this week in class we will be focusing on sensory exploration and children's keyworker activities. We will look at natural materials such as seasonal vegetables and changes in the environment.

### **Learning Intentions**

- Explore natural materials
- Identify features in the natural environment
- Use different media and texture to create artwork.

### **Homework**

In class each week we will have letter sound of the week, to promote speech sounds. The letter for next week will be 'E,' could you create a collage with your children with objects that begin with the letter E, we will share these on Thursday at circle time to promote speech sounds. Homework has now been sent home; it is linked to the class topic.

### **Information**

Thank you for your donations of fruit and voluntary contributions towards the cost of snack, without your support we could not offer this provision.

### **Dates for diary entries.**
