# Book Review and Author Spotlight

## This issue's book review is by Emily :

**Private Peaceful** is one of the most interesting books I have ever read because the main characters are very likeable, and the language is complex but yet effective. When Thomas Peaceful and his older brother enlist in the army, they expect to go back home, and everything be the same as it was. But faced with reality, Thomas realises that nothing can change.

**Michael Murpurgo**

## Author spotlight

Michael Morpurgo is an English children's writer. He has written more than 120 books, including Kensuke's Kingdom and War Horse (made into a play and film).
