Book Review and Author Spotlight

This issue's book review is by Mia:

The Enemy is one of the greatest books I have ever read! It has suspense, love, friendship, betrayal and left me on the edge of my seat 100% of the time. A quick summary- every person over the age of 14, have mysteriously turned into zombies. Groups of kids have to survive alone, because the people they had once called 'Mum and Dad' have been turned into Mindless Zombies. But are the zombies who they really need to be scared of???
