

21st January 2019

Dear Parents/Carers,

Re: Intech Science museum trip

Science week is a nationally celebrated week which commences from 8th March 2019. The theme this year is 'Journey', which we will be celebrating in our learning during that specific week.

As part of these celebrations, we would like to invite your child to an educational trip on Tuesday 12th March. The trip is to INTECH science museum in Winchester. The museum will be providing us with a range of interactive activities linked to the theme of 'Journey'. We will aim to leave school after the usual registration time and will return to school by the end of the school day. Normal drop of and collection times apply along with full school uniform.

The cost of the trip is covered by the school; however, you will need to provide your child with a packed lunch for the day.

If you would like your child to attend the trip, then please complete the reply slip and medical form attached and hand it back in to your child's class teacher no later than Friday 25th January.

Thank you for your support.

Yours sincerely

Miss Large
Primary science coordinator
