

Dear parents/carers,

We are currently developing our Year R outdoor area and would really appreciate any donations of the following items:

- Soil
- Seeds (flowers, vegetables, herbs)
- Watering cans
- Mini trowels/shovels
- Children's gardening gloves
- Plant pots
- Plants ready for potting
- Play sand

The children will be part of creating an outside space where they can take responsibility of caring for the plants, understanding how they grow and learning new skills. Working in a garden, children can experience the satisfaction that comes from caring for something over time, while observing nature.

If you would like any more information, please speak to a member of the Year R team.

Thank you in advance!

The Early Years Team
