Mayfield Reception Class
Mayfield School
Portsmouth

Dear Pupils of the Reception Class

Thank you for your help in making cards for us to give away to people after they have come home from hospital. They really liked your drawings and the colours you used. It made them very happy to receive your cards.

I was really impressed with so many ideas you drew from Rainbows, flowers, your pets and pictures of smiling people.

You all did a great job and everyone we gave them too loved receiving them and put them on their table to see.

Thank you so very much.

Best Wishes

Debbie Hayter,
Service Manager
