If you want to make a claim, please contact the Policyholder at their address. Claims are to be notified as soon as possible, with full details to be provided within 30 days of the claim (7 days in respect of riot or malicious damage) including supporting evidence in writing. The Police must be notified as soon as possible in the event of theft or malicious damage.

### **Insurance Act 2015**

The policy embraces the principles of the Insurance Act 2015 law reforms. It also incorporates a modification which has the aim to promote good customer outcomes, whereby in cases of non-deliberate or non-reckless non-disclosure or misrepresentation we will request any additional premium which may be required and pay subsequent claims in full rather than proportionately reducing subsequent claims payments.

### **Cancellation Rights**

This policy does not entitle you to a cooling-off period.

### **Important Notes: Passports, Travel Against Medical Advice & Compulsory Contacting of ZTA**

#### **Passports**

We recommend that a copy of the passport header page be taken on a journey. Loss of passport is the most common mishap to befall UK travellers and a copy assists with emergency replacement.

#### **Travelling or intending to travel against medical advice**

In line with many travel insurance policies, this policy has an exclusion of "travel against medical advice".

We strongly recommend that if there is any doubt over a current or recent medical condition that the Insured Person visits their doctor to ensure they are fit to travel and are not invalidating their cover. This will help to avoid potential difficulties should the need to claim arise later for cancellation or sickness happening during the trip.

"Fit to travel" implies that during the trip the medical condition is unlikely to create the need for medical attention or other additional costs such as emergency evacuation or visit of a relative that would ordinarily qualify as a claim under the policy.

The Insured Person should obtain a written statement from their GP or other medical practitioner at most 7 days before the trip starts stating that they are fit to travel having regard to:

- the condition itself; and
- the following features of the trip: destination, activities, duration, methods of travel

The Insured Person person should tell the medical professional that the required statement is for specific insurance purposes and that it may be relied upon to substantiate the validity of a claim should it later need to be made.

Where a trip is booked (incurring non-refundable expenses) a considerable time before the departure date, it is prudent to consider an additional earlier consultation with the medical professional to obtain a similar statement. This is in case a medical condition being experienced at the time of booking worsens to cause cancellation of the trip before departure, and the need for a Cancellation claim to be made.

### **Compulsory Contact of Zurich Travel Assistance**

Please note that certain events for which assistance may be required or claims paid must be handled through ZTA:

- In-patient hospital treatment
- Emergency Repatriation Expenses
- Kidnap
- Political or Natural Disaster Evacuation

### **Complaints Procedure**

We want to provide a first class service. If you have any cause for complaint you should, in the first instance, contact either the intermediary who arranged the policy for you, or the branch that issued your policy. Please quote the details of your policy (your surname and initials, policy number, departmental reference, etc).

This is a free and impartial service and you are entitled to contact the ombudsman at any stage of your complaint. For more information please contact the ombudsman directly or visit <http://www.financial-ombudsman.org.uk>.
